Genes Reunited message from Dorothy
Mary Jane Mitton's father, James Mitton, was my great great grandfather. He was married to Jane Howell and, apart from Mary Jane, they had William, Charles, Isaac, James, Isaac, Elizabeth, Sarah & Samuel. Elizabeth married Moses, aka Richard Turley and they were my great grandparents. Of the Mitton children, the two Isaacs, James and Sarah all died young but I know about the spouses and some of the descendants of the children who survived to adulthood. For example, Mary Jane married George Hyett and they had James William, Mary Ellen, Kate, Mary Ann & Agnes Ann. Please get in touch if you think I can be of more help. I should like to know how you are related to the Mittons. You can reach me on this email address: drthyt@tiscali.co.uk
